Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you can break it up into smaller sub-groups.

20 minutes

TIP

Add custom draw tools to sticky notes to make it easier to draw, sketch, or gesture, and collaborate effectively across all frames within your mural.

Prioritize

Your team should all be on the same page at moving forward. Place your ideas on this grid. Ideas are important and which are feasible.
